DECLARATION OF RESTRICTIONS

KNOW ALL MEN BY THESE PRESENTS:

That JOHN W. MORRIS and GILDA MORRIS, his wife, being the owners of the premises in Gila County, Arizona, described as follows:

All of PINNACLES SPRINGS, UNIT 4, a subdivision of part of a portion of Exempted Entry Survey No. 580, situated in Tract National Forest in Sections 26, 27, 34 and 35, unsurveyed, T. 10 S., R. 14 E., of the Gila and Salt River Base and Meridian, Gila County, Arizona, according to the Official Plat on file in the Office of the County Recorder of Gila County, Arizona, in Map File, Map No. 302.

and desiring to establish the nature of the use and enjoyment thereof, do hereby declare said premises subject to the following covenants, conditions, stipulations and restrictions as to the use and enjoyment thereof, all of which are to be considered as restrictive covenants relating to the title of said premises and of each and every lot, part and parcel thereof, with the EXCEPTION OF TRACTS "C" and "D", to-wit:

All of said lots and parcels in said subdivision shall be used for residential purposes only. One single family residence, guest house, garage and other customary outbuildings may be placed, erected or constructed on any lot or parcel in said subdivision; PROVIDED, however, that in no case shall any residence of any type be placed, erected or constructed on any lot or parcel in said subdivision which contains less than 43,500 square feet area.

No business or occupation for gain shall be maintained upon any lot or parcel of said subdivision.

No lot or parcel shall be subdivided into any lot or parcels that contain less than 21,750 square feet area and shall be covered by recorded document subject to the approval or disapproval of any Local, County or State Planning or Zoning Committee and/or any Local, County or State Health Department and/or the "Agent" or Committee having jurisdiction of said subdivision; EXCEPT for public utilities, in which event the remaining portion of said lot or parcel shall, for the purposes of this provision, be treated as a whole lot.

or parcel; PROVIDED, that this restriction shall not prevent the conveyance of a part of a lot or parcel to an adjacent owner of a whole lot or parcel, after which time said whole lot or parcel and the adjacent part of a lot or parcel in such common ownership shall, for the purpose of these restrictions, be considered as one residential lot or parcel.

All structures or buildings to be erected or proposed to be moved or placed upon any lot or parcel shall be subject to the approval or disapproval of the "Agent" or Committee having jurisdiction of said subdivision.

Trailers may be placed on any lot or parcel and may be used for dwellings subject to the approval or disapproval by the "Agent" or Committee having jurisdiction of said subdivision.

Lot owners may use their lots or parcels for camping; PROVIDED, that they maintain the premises in such a manner so as not to render the same unsanitary, unwholesome, offensive or detrimental to any adjacent property or occupants thereof.

Private or sanitary facilities shall be erected or provided on each lot or parcel prior to any residential structure, building, trailer or camping facilities being placed or erected upon any lot or parcel and after placement upon premises shall be maintained in such manner so as not to be unsanitary, unwholesome, offensive or detrimental to any adjacent property or occupants thereof; placement of sanitary facilities and the maintenance thereof shall be subject to the approval or disapproval of any Local, County or State Health Department and/or the "Agent" or Committee having jurisdiction of said subdivision.

No part of said subdivision shall be used for any obnoxious or offensive purposes, nor for a hotel, boarding house, sanitarium, hospital, inn for the care, lodging or entertainment of a business enterprise for and of persons suffering from disease, or for any purpose which would depreciate the value of the property or adjacent property, or which might constitute a nuisance or hindrance to the use of any part of said subdivision for residential purposes.

No livestock or poultry, with the exception of horses, and art animals, shall be kept or maintained on any of the above described lots or parcels. Livestock shall be limited to two (2) animals per acre and poultry to a reasonable number to be used for domestic purposes only. Livestock shall be kept in corrals and poultry shall be kept in poultry houses with runs, and either or both shall be situated, placed or erected and maintained in such a manner so as not to be unsanitary, noisily, offensive or detrimental to any adjacent property or occupants thereof.

The development, pumping and use of water produced upon any lot, parcel or portion thereof shall be restricted to the private and domestic use of the owner or occupant of said lot, parcel or portion thereof; PROVIDED, however, that John W. Morris and Clara Morris, his wife, and their heirs, executors, administrators and assigns shall have the right to transport water to any portion of N.E.S. No. 580 for domestic use thereon.

There is reserved unto John W. Morris and Clara Morris, his wife, and their heirs, executors, administrators and assigns, whenever practical or practicable, the right to install and maintain poles and lines for tele- phone and electric power service and easements for the installation and maintenance of pipe lines for carrying domestic water over and across such part of any lot or parcel in said subdivision as said John W. Morris and Clara Morris, his wife, and their heirs, executors, administrators and assigns, shall deem proper; with the understanding that the placement of such poles, lines and easements shall, wherever practical and practicable, be so placed as to be of the least possible hindrance to the use of said lots or parcels in said subdivision by occupants thereof.

The "Agent" hereinabove referred to shall be John W. Morris or such person as he may appoint by instrument in writing and recorded in the Office of the County Recorder of Gila County, Arizona; PROVIDED, however, that the powers of said "Agent" shall vest in any committee duly selected by a majority of individual lot or parcel owners after the number of lot or

Parcel owners in said subdivision exceeds one-half (½) of the lots or parcels in said subdivision.

Deeds of conveyance for said property or any portion thereof may contain the above covenants, conditions, stipulations and restrictions by referring to this document, but whether or not such reference is made in such Deeds, each and all of these covenants, conditions, stipulations and restrictions shall be binding on the respective Grantees.

The foregoing covenants, conditions, stipulations and restrictions run with the land and shall be binding on all parties and all persons claiming under them until August, 1994, at which time said covenants, conditions, stipulations and restrictions shall be automatically extended for successive periods of Ten (10) years each; UNLESS by vote of a majority of the then owners of lots or parcels in said subdivision it is agreed to change the same covenants, conditions, stipulations and restrictions in whole or part.

If there shall be a violation or threatened or attempted violation of any of said covenants, conditions, stipulations and restrictions, it shall be lawful for any person or persons owning any real property situated in said subdivision to prosecute proceedings at law or in equity against all persons violating or threatening or attempting to violate any such covenants, conditions, stipulations and restrictions and either to prevent him or them from so doing or recover damages or other dues from such violations.

Invalidation of any one of the covenants, conditions, stipulations, and restrictions shall in no wise affect any of the other provisions, which shall remain in full force and effect.

IN WITNESS WHEREOF, we have hereunto set our hands this 12<sup>th</sup> day of August, 1964.

John W. Morris
